Preventative medicine, integrative medicine, holistic medicine, alternative medicine, bio-identical hormone replacement, IV nutritional therapy, chiropractic care, along with most services offered at the clinic are a unique practice and are considered a form of alternative medicine. Even though our practitioners are licensed and board certified, insurance does not recognize it as necessary medicine BUT is considered complimentary medicine and therefore is not covered by health insurance in most cases.

Advanced Health Clinic, LLC (AHC) (as well as any Practitioner who practices at AHC) is not associated with any insurance company, which means insurance companies are not obligated to pay for services you receive at Advanced Health Clinic (blood work, consultations, therapies, treatments, labs, IV's, insertions or pellets). We require payment at time of service and, if you choose, we will provide a receipt showing that you paid out of pocket and what the visit was for. Many of the services provided at AHC and/or by Independent Contractors (Practitioners) do not have medical billing codes.

For clients who have access to a Health Savings Account, some of your appointments may qualify for use with that credit or debit card. Please check with your plan to see what they will cover prior to using your Health Savings Account for your visit. If your plan covers those services and you wish to put it on your Health Savings Account, please inform your practitioner prior to the beginning of your appointment so that they prepare your receipt accordingly. Even then, this does not guarantee that your Health Savings Account will accept your claim. Most Health Savings Accounts will not cover supplements, vitamins, or minerals.

The form and receipt are your responsibility and serve as evidence of your treatment. We will not call, write, pre-certify, or make any contact with your insurance company. Any follow up letters from your insurance to us will be thrown away. If we receive a check from your insurance company, we will not cash it, but instead return it to the sender. Likewise, we will not mail it to you. We will not respond to any letters or calls from your insurance company.
