INFORMED CONSENT

____ (Initial) By signing below, I am verifying that I have read this informed consent and I understand it. I am not a minor (under the age of 18). Additionally, I am here on this day and any subsequent visit, solely on my own behalf and not as an agent for any federal, state, or local agencies on a mission of entrapment or investigation and I also certify that I am signing my own true given, legal name and not an alias or false name.

____ (Initial) I understand that I have sought services provided through Independent Contractors at Advanced Health Clinic, LLC (AHC) for my personal wellness care or for my child or children who are minors. I understand that each and every practitioner I (they) see is a separate entity that leases from AHC and operate independently as practitioners and/or companies. I further understand that Therapeutic Spa, LLC and Health & Nutrition, LLC, are separate entities from Advanced Health Clinic, LLC (AHC). I further understand that a Practitioner and/or Entity that has their practice at AHC may specialize and employ methods that may be considered to be "unconventional" and/or "unorthodox", also known as "alternative", "integrative", "holistic" and/or "complimentary" medicine.

____ (Initial) I understand that AHC provides services for Independent Contractors and is exclusively an office-based practice. I recognize AHC is not affiliated with a local hospital. I further understand that **AHC STRONGLY RECOMMENDS IN ADDITION TO ANY CARE RECEIVED AT AHC AND/OR AN INDEPENDENT CONTRACTOR THROUGH AHC, THAT I MAINTAIN A RELATIONSHIP WITH ONE OR MORE PHYSICIANS QUALIFIED TO CARE FOR MY MEDICAL CONDITION(S).** For example, in the case of children AHC advises that I seek the advice of a pediatrician; if I have cardiovascular disease I consult with a cardiologist; if I have mental illness, I consult with a mental health specialist; and if I have cancer I consult with an oncologist, etc.

____ (Initial) I understand that AHC and/or its employees, and/or its representatives make no representations, claims, or guarantees regarding the efficacy of a practitioner's practice, recommendations, treatments, procedures, or therapeutic services. I further acknowledge that I understand that any service and/or therapy I receive MAY alter, address, or decrease my pain, symptoms, or complaints, but also may have no effect at all.

____ (Initial) **CONFLICT RESOLUTION:** By signing this informed consent I consent and agree to hold harmless, Advanced Health Clinic, LLC (AHC), and/or their staff and/or employees, and/or associated entities from all professional and personal liability. I further understand and consent that that all services and/or therapies are patient and/or client directed therapies and I will direct my practitioner and/or staff to perform any therapy and/or service I receive at AHC. In doing so I, and any and all parties that may represent me or my estate, hold harmless Advanced Health Clinic, LLC, the practitioner, and/or staff and all other controlling or involved entities or manufacturers.

In the event I or my representative or heirs bring a legal case against AHC, I agree to be responsible for all legal costs and fees that may result from action(s) on my part or on the part of my representatives(s) against AHC or its representative(s). I agree that AHC shall be judged by the standards and principles of holistic/alternative/complimentary health care. I agree to settle any claim, dispute, or disagreement I have with Advanced Health Clinic and or Practitioners and/or Staff in person. If this is not possible, then I agree to enter into good faith non-binding mediation with Peacemaking and Conflict Resolution Services (PMCRS) as mediator, or if PMCRS is not available, I agree to meet with another mediator located in Farmington, Davis County, Utah or the surrounding area. If we are unable to settle via mediation, I further understand that any claim or dispute arising under or out of this Agreement shall be subject to binding arbitration pursuant to the Commercial Rules of the American Arbitration Association (AAA) and conducted in the City of Farmington, Utah, or within the surrounding area. There shall be a single arbitrator selected by the AAA. In no event shall either party be entitled to punitive damages. The parties shall split the cost of mediating and disputing equally. Any attorney's fees incurred during the mediation shall become a subject of the mediation and the parties will attempt to resolve attorney's fees during the mediation. The costs of binding arbitration shall be split between the parties equally and the arbitrator. Each party is responsible for their own attorney fees for arbitration.

I further understand and consent that I have the right to have this consent reviewed by my lawyer before accepting any medical, wellness care, and/or nutritional services from Advanced Health Clinic, LLC. Although AHC and/or the staff and/or practitioner will not be able to provide any professional services to clients and or patients who choose not to sign, we will provide any medical records we have in our possession to you so that you can select the healthcare practitioner of your choice for your continued care.

____ (Initial) **SEVERABILITY:** If any term, provision or condition of this Agreement, or any application thereof, should be held by a court of competent jurisdiction to be invalid, void, or unenforceable, all provisions and conditions of this Agreement and all applications thereof not held invalid, void or unenforceable, shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby, by entering my signature below I am acknowledging that I understand all terms, verbiage (language) and concepts herein.

I hereby consent to and authorize the above understandings of this Informed Consent for me and/or my child(ren). I have executed this agreement freely and willingly.
